

A woman with dark, curly hair is shown in profile, playing a violin. She is wearing a dark top with a white and red striped collar and a silver chain necklace. The background is a vibrant, abstract composition of purple, blue, and orange light patterns. The entire scene is framed by a white border, which is itself set against a red background with a white geometric pattern.

Dear Music Teacher,

I'm Simba Mlambo, the Schools Outreach Manager for ACM. ACM is a specialist **creative industries educator**, helping students particularly towards careers in the **music** and **gaming** industries.

With campuses in **Birmingham, Guildford** and **London**, we offer a range of courses at **Levels 2, 3** and **Degree** (both **undergraduate** and **postgraduate**) covering all kinds of subject matter from **performance** to **production, songwriting** to **artistry**, and **business** to **event management**.

We're already speaking to one of your students; the person who gave you this card today, but now I'm hoping that we can work together to help introduce even **more** students like them to a brand new music industry education offering that is available here with us.

In exchange for sharing your details with me, so that I can get in touch with you in the new year and tell you more about our work with schools like yours, I'll enter both you and your referring student into our prize draw. **The winner will win £1,500 worth of musical equipment for them, and £1,500 worth of musical equipment for their school.** We'll announce the winner in the new year, so don't delay. **Head to www.acm.ac.uk/register and remember to provide us with the Learner ID of the person that referred you to us today.**

Here's wishing you a wonderful holiday and hoping to speak to you in the new year.
